HYMN

O Lord my God, when I in awesome wonder
Consider all the works Thy hands have made,
 I see the stars, I hear the rolling thunder,
 Thy power throughout the universe displayed:

*Then sings my soul, My Saviour God, to Thee,
 How great Thou art, How great Thou art!
Then sings my soul, My Saviour God, to Thee,
 How great Thou art, How great Thou art!*

When through the woods and forest glades I wander,
 And hear the birds sing sweetly in the trees;
When I look down from lofty mountain grandeur,
 And hear the brook, and feel the gentle breeze;
 Then sings my soul...

And when I think that God, His Son not sparing,
 Sent Him to die - I scarce can take it in:
That on the cross, my burden gladly bearing,
 He bled and died to take away my sin;
 Then sings my soul...

When Christ shall come with shout of acclamation
 And take me home - what joy shall fill my heart!
 Then shall I bow in humble adoration,
And there proclaim, My God, how great Thou art!
 Then sings my soul...

TRIBUTE

by Andy's sister, Sue Kendrick
including poem: Andy's Arrival

Paul will pour Andy his last pint during the third verse of the next song.

SONG

‘Cameraman’ by Sarah Furmage, friend
to the tune of Billy Joel’s ‘Piano Man’, performed by friends

It’s nine o’clock on a Saturday,
The phone rings and Andy is there,
Can I pop in for coffee with warm milk,
Biscuits and toast if there’s spare?

He said Sarah can you tell them “I had a larf,
When it’s my time to go”,
But I brushed it aside and smiled big and wide,
Thinking time would surely go slow.

*Life, life is for living,
Don’t be sad cos “I had a larf”
Make us a film you’re the cameraman,
Shoot us a memory today.
Cos we’re all in the mood for a video,
And you’ve got us feeling this way.*

Now Andy was always a social guy,
Enjoyed a few pints of beer.
He was quick with a joke, quite a large bloke,
Committed to his filming career.

He wasn’t much of a piano man,
Mrs Dale was tearing her hair,
Dunlop wanted a Michelin man,
But filming was definitely his flair.
Life, life is for living...

Visits from Andy were hilarious.
Stock up on biscuits and stew.
Christmas: no underpants? time for a laundry rant,
A trip round Edinburgh zoo.
Life, life is for living...

Now Andy was a BECTU union man.
He knew how to persuade with a smile.
He'd arrive with his bags and a raft full of gags.
So you'd forget about life for a while.

Now the camera was built like a dinosaur,
The microphone smelt like a beer,
He'd sit in the chair, talk without taking air,
But boy do we wish he was here!
Life, life is for living...

And you've got us feeling this way.

TRIBUTE TO ANDY

by Jenny Tagney, friend

KATIE'S PRAYER FOR UNCLE ANDY

During the next song, Uncle Andy will be given one of his many hats by Katie and some gaffa tape by Alex. We have chosen the hat he wore on a recent fishing trip when he caught a huge 9lb fish. He never went far without some gaffa tape so we are sure he'll need some!

SONG

Sing and clap along to
We Will Rock You by Queen (from CD)

Buddy you're a boy make a big noise
Playin' in the street gonna be a big man some day
You got mud on yo' face
You big disgrace
Kickin' your can all over the place.

We will we will rock you
We will we will rock you.

Buddy you're a young man hard man
Shoutin' in the street gonna take on the world some day
You got blood on yo' face
You big disgrace
Wavin' your banner all over the place.

We will we will rock you
We will we will rock you.

Buddy you're an old man poor man
Pleadin' with your eyes gonna make you some peace some day.

You got mud on your face
You big disgrace
Somebody better put you back into your place.

We will we will rock you
We will we will rock you.
